

# Birdseye: The Adventures of Curious Man

## A Gripping Historical Fiction Novel

Birdseye is a gripping historical fiction novel that follows the life of Alfred Birdseye, the inventor of frozen food. The novel is full of adventure, suspense, and romance, and it provides a fascinating glimpse into the early days of the food industry.

Alfred Birdseye was a curious man. He was always looking for new ways to improve the world, and he had a passion for food. In 1922, he invented the first commercially successful frozen food process. This invention revolutionized the way we eat, and it made it possible for people to enjoy fresh, healthy food all year round.
