In her powerful and moving memoir, *Dear White Woman, Please Come Home*, author Layla F. Saad takes readers on a deeply personal journey of reconciliation and redemption. As a biracial woman raised in a white family, Saad has long grappled with her own identity and the complex dynamics of race in America. In this book, she shares her experiences with raw honesty and vulnerability, offering a unique perspective on the deep wounds of the past and the possibility of healing and reconciliation.

Saad's journey begins in her childhood, where she was often the only person of color in her school and neighborhood. She felt a sense of isolation and otherness that followed her into adulthood. As she grew older, she became increasingly aware of the systemic racism that permeated American society, and she began to question her own place in a world that often seemed hostile to people of color.

In *Dear White Woman, Please Come Home*, Saad explores the complex emotions that come with being biracial. She writes about the anger, shame, and guilt she has felt at times, as well as the hope and resilience that have sustained her. She also examines the ways in which white people can be complicit in racism, even if they don't realize it. Saad challenges white
