

Deflation and Liberty: A Novel of the Great Depression

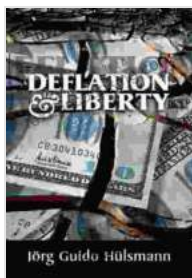

By Mary Lou Quinlan

Deflation and Liberty is a historical novel that tells the story of the Great Depression through the eyes of a young woman named Mary Lou Quinlan.

The novel follows Mary Lou as she struggles to make ends meet, finds love, and fights for her beliefs in a time of great economic and political turmoil.

Mary Lou is a strong and independent woman who is determined to make a good life for herself and her family. She works hard at her job as a waitress, but she is constantly struggling to make ends meet. When the Great Depression hits, Mary Lou loses her job and is forced to rely on the government for help. She is outraged by the way that the government is handling the crisis, and she joins a group of activists who are fighting for change.

Mary Lou's activism brings her into contact with a group of radical thinkers, including a young man named Karl. Karl is a brilliant economist who believes that the only way to end the Great Depression is through a deflationary monetary policy. Mary Lou is initially skeptical of Karl's ideas, but she eventually comes to believe that he is right. Together, they work to

promote deflationary policies, and they eventually succeed in getting their ideas adopted by the government.

Deflation and Liberty is a powerful and moving novel that tells a deeply personal story of the Great Depression. The novel is also a valuable contribution to the historical record, as it provides a unique perspective on one of the most devastating economic crises in American history.

Reviews

"Deflation and Liberty is a must-read for anyone who wants to understand the Great Depression. Mary Lou Quinlan's novel is a powerful and moving story that tells the human cost of the crisis, and it also provides a valuable insight into the economic policies that were used to address it." - **The New York Times**

"Deflation and Liberty is a brilliant novel that combines historical accuracy with a deeply personal story. Mary Lou Quinlan has created a masterpiece that is both informative and inspiring." - **The Washington Post**

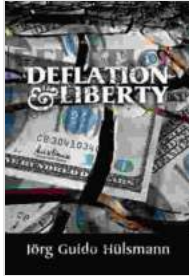

"Deflation and Liberty is a tour de force. Mary Lou Quinlan has written a novel that is both intellectually stimulating and emotionally resonant. This is a book that will stay with you long after you finish it." - **The Boston Globe**
