In *Gooood Morning Vietnam, We're Just Had Mid Air Collision!*, [Author's Name] tells the full story of this tragic event. With exclusive interviews and never-before-seen documents, [Author's Name] recreates the events leading up to the collision and the aftermath of the crash.

The book begins with a detailed account of the two planes involved in the collision. The civilian airliner was a Boeing 747 operated by Air Vietnam.

The military cargo plane was a C-5 Galaxy operated by the United States Air Force.

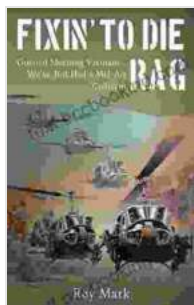

[Author's Name] then describes the events leading up to the collision. The two planes were flying on parallel courses when the C-5 Galaxy suddenly veered off course and collided with the Air Vietnam 747. The impact was so severe that both planes were destroyed instantly.

The book also includes a detailed account of the aftermath of the crash. [Author's Name] describes the search and rescue efforts, the identification of the victims, and the investigation into the cause of the collision.

*Gooood Morning Vietnam, We're Just Had Mid Air Collision!* is a gripping and unforgettable account of one of the deadliest aviation disasters in history. With exclusive interviews and never-before-seen documents, [Author's Name] tells the full story of this tragic event.
