

# How the Good Guys Finally Won the World, According to Breslin and the World of Wrestling

In the early days of professional wrestling, the bad guys always seemed to win. The heels were the ones who got the biggest pops, and the faces were often left to eat their dust. But that all changed in the 1980s, when a new generation of wrestlers emerged who were determined to change the game.

Led by Hulk Hogan, The Rock, and John Cena, these good guys finally won the world. They showed that it was possible to be a hero and still be successful in the wrestling business. They inspired a new generation of fans, and they helped to make professional wrestling the global phenomenon that it is today.

In this book, author Jimmy Breslin tells the inside story of how the good guys finally won the world. He interviews the stars who lived it, and he provides a unique perspective on one of the most important moments in the history of professional wrestling.

## **The Rise of Hulk Hogan**

Hulk Hogan was the first true superstar of professional wrestling. He was a larger-than-life character with a charismatic personality and an incredible physique. Hogan was also a master of the ring, and he could work a crowd like no one else.

In the 1980s, Hogan became the face of the WWF, and he helped to lead the company to new heights. Hogan's matches were always sellouts, and he was the main event of the first WrestleMania in 1985.

Hogan's success helped to pave the way for other good guys to follow in his footsteps. He showed that it was possible to be a hero and still be successful in the wrestling business.

## **The Rock Revolution**

In the late 1990s, The Rock emerged as the new face of the WWF. The Rock was a charismatic young wrestler with a natural talent for connecting with the audience.

The Rock's popularity helped to ignite the "Attitude Era," a period of time in which the WWF became more edgy and adult-oriented. The Rock was a major part of this change, and he helped to make the WWF the most popular wrestling promotion in the world.

The Rock's success continued into the 2000s, and he eventually became one of the biggest stars in the history of the business. He is now considered one of the greatest wrestlers of all time.

## **The Cena Era**

John Cena is the current face of the WWE. He is a charismatic wrestler with a strong work ethic and a dedication to the business.

Cena has been the WWE Champion a record-tying 13 times, and he has headlined multiple WrestleManias. Cena is also a successful actor and rapper, and he has become one of the most popular wrestlers in the world.

Cena's success is a testament to the power of the good guys. He has shown that it is still possible to be a hero in the wrestling business, and he has helped to inspire a new generation of fans.

## **The Good Guys Finally Win**

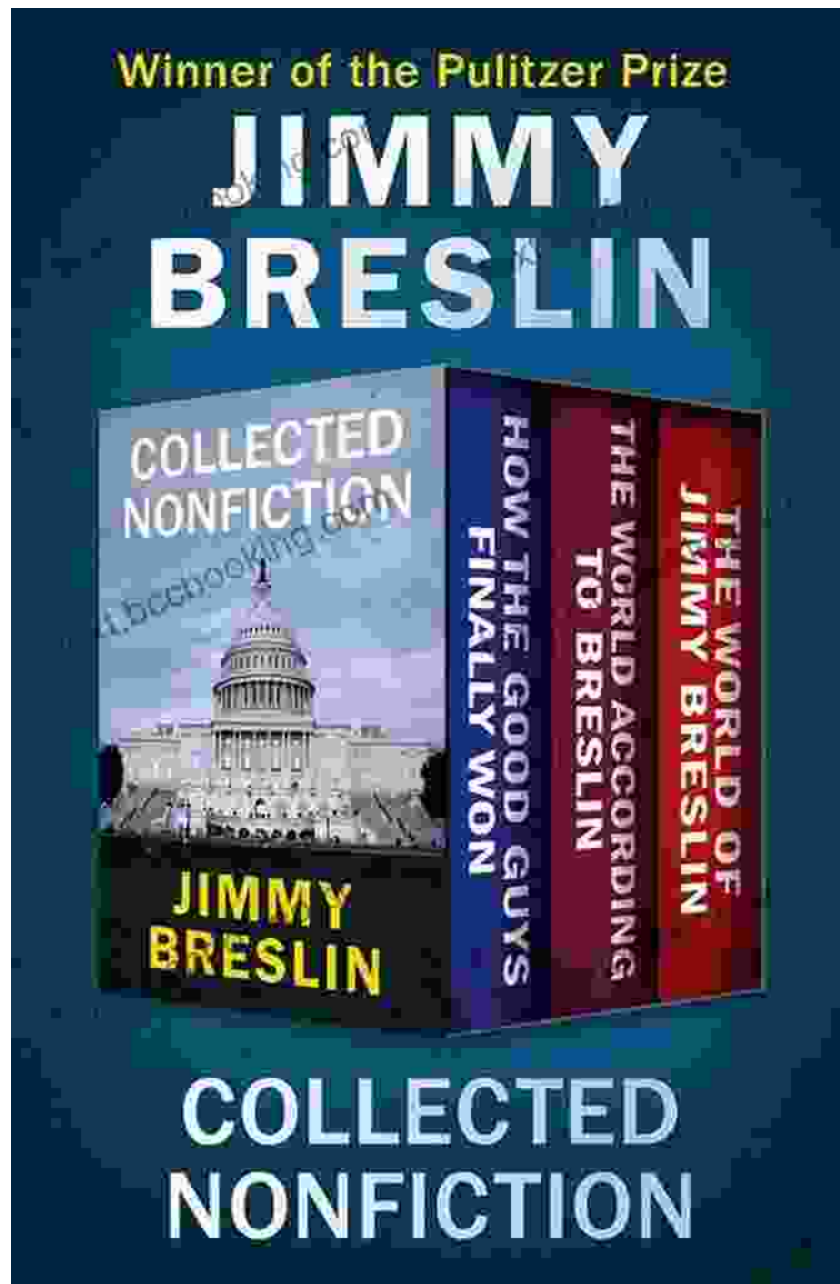

The good guys have finally won the world of professional wrestling. They have shown that it is possible to be a hero and still be successful in this business.

The good guys have inspired a new generation of fans, and they have helped to make professional wrestling the global phenomenon that it is today.

In this book, Jimmy Breslin tells the inside story of how the good guys finally won the world. He interviews the stars who lived it, and he provides a unique perspective on one of the most important moments in the history of professional wrestling.
