In her book, *My Story*, Dr. Cheryl Lentz shares her personal journey as a woman in STEM and offers practical advice on how to raise children who are innovative, visionary, and out-of-the-box thinkers.

Lentz draws on her own experiences as a daughter, sister, wife, mother, and grandmother to provide a unique perspective on the challenges and opportunities facing women in STEM. She also shares her insights on how to create a supportive environment for children who are interested in STEM.

*My Story* is a must-read for anyone who is interested in raising children who are creative, innovative, and out-of-the-box thinkers. Lentz's insights are invaluable for parents, teachers, and anyone else who works with children.

## About the Author

Dr. Cheryl Lentz is a physicist, engineer, and author. She is the founder and CEO of Lentz Education Services, a company that provides STEM education and consulting services to schools and businesses.

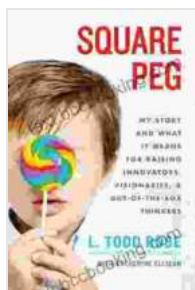

Lentz has over 30 years of experience in STEM education. She has taught physics and engineering at the university level and has developed STEM curricula for K-12 schools.

Lentz is a passionate advocate for STEM education. She believes that all children should have the opportunity to learn about STEM and to develop their creativity, innovation, and out-of-the-box thinking skills.
