Rabbi Israel Meir Lau, the former Chief Rabbi of Israel, has penned a powerful and moving memoir titled **Out of the Depths: The Story of a Child of Buchenwald Who Returned to Life**.

This book is a harrowing and deeply personal account of Lau's experiences as a child in Nazi concentration camps during the Holocaust. Born in Poland in 1937, Lau was just a young boy when his family was taken to

Auschwitz. He survived the horrors of that camp, as well as Dachau and Bergen-Belsen, before being liberated by the Allies in 1945.

Out of the Depths is not just a story of survival, but also a story of faith and hope. Lau's unwavering belief in God sustained him through the darkest of times, and he credits his faith with helping him to find the strength to go on.

This book is a testament to the human spirit's ability to overcome even the most unimaginable adversity. Lau's story is a reminder that even in the darkest of times, there is always hope.

Here is a summary of some of the key events in Lau's life:

- Born in Poland in 1937
- Taken to Auschwitz with his family in 1944
- Survived Auschwitz, Dachau, and Bergen-Belsen
- Liberated by the Allies in 1945
- Became a rabbi and later Chief Rabbi of Israel

Out of the Depths is a must-read for anyone who is interested in the Holocaust, Jewish history, or the power of the human spirit. It is a story that will stay with you long after you finish reading it.
