Learn from the Masters

Authored by veteran ski mountaineers Doug Stoup and Leigh Ortenburger, this book draws on their decades of experience in the backcountry. Their firsthand knowledge shines through every page, providing readers with invaluable tips and techniques for navigating complex terrain, managing avalanche hazards, and finding untracked powder stashes.

Immerse Yourself in Stunning Visuals

Complementing the text are over 200 photographs and illustrations that vividly illustrate the concepts and techniques discussed. From detailed diagrams of ski touring equipment to breathtaking images of pristine mountain landscapes, these visuals enhance your understanding and bring the backcountry experience to life.

Skills for Every Level

Whether you're a seasoned backcountry veteran or just starting your off-trail adventures, "Skills for Ski Touring and Ski Mountaineering" has something for you. The authors provide a progressive approach, starting with fundamental skills and gradually building to more advanced techniques, ensuring that skiers of all levels can benefit from this comprehensive resource.

A Focus on Safety

Safety is paramount in the backcountry, and this guide emphasizes the importance of proper risk management and decision-making. It covers crucial topics such as avalanche awareness, companion rescue techniques, and emergency preparedness, empowering you to confidently explore the mountains while minimizing potential risks.

Plan Your Backcountry Adventure

In addition to providing essential skills, the book also serves as a planning guide for your backcountry ski tours. It offers practical tips on selecting appropriate terrain, assessing weather conditions, and packing essential gear. With this guide in hand, you can plan and execute your adventures with confidence and minimize uncertainties.

Dive into the World of Ski Touring and Ski Mountaineering

With "Skills for Ski Touring and Ski Mountaineering," you'll unlock the secrets of the backcountry and embark on unforgettable adventures in the untamed wilderness. Whether you're seeking solitude, adrenaline, or simply a deeper connection with nature, this comprehensive guide will empower you to explore the mountains with confidence, skill, and a newfound appreciation for the beauty and challenges of the backcountry.

Embrace the Adventure of a Lifetime

Don't let fear or uncertainty hold you back from experiencing the thrill of backcountry skiing. With "Skills for Ski Touring and Ski Mountaineering" as your trusted companion, you'll gain the knowledge, skills, and confidence to navigate the mountains safely and create memories that will last a lifetime.
