Synopsis

Ten Count Vol. 1 Yaoi Manga introduces Shirovani Tadaomi, a successful businessman who has been struggling with obsessive-compulsive disorder (OCD) for years. Despite his wealth and status, Tadaomi's life is plagued by intrusive thoughts and compulsive behaviors that make it difficult for him to function normally. Desperate for help, he seeks out the services of Kurose Riku, a therapist specializing in treating OCD.

As Tadaomi and Riku embark on a therapeutic journey together, they begin to unravel the complex layers of Tadaomi's condition. Through a series of guided sessions, Riku helps Tadaomi confront his fears and challenge his negative thought patterns. As they delve deeper into the therapy, an unexpected connection starts to develop between them, blurring the lines between patient and therapist.

Ten Count Vol. 1 Yaoi Manga explores the complexities of human relationships, mental health, and the transformative power of love. With each session, Tadaomi and Riku learn more about themselves and each other, discovering hidden depths and vulnerabilities. Their bond grows stronger as they face challenges together, and Tadaomi begins to experience a sense of healing and self-acceptance he never thought possible.
