The House of Getty is a gripping and explosive expose of one of the world's wealthiest and most powerful families. Russell Miller's meticulously researched book uncovers the dark secrets and scandalous history of the Gettys, from their humble beginnings to their rise to immense wealth and influence.

The Gettys are a family of contradictions. They are both admired and despised, envied and pitied. They are known for their philanthropy and their greed, their intelligence and their ruthlessness. They have been the subject of countless books, articles, and films, but Russell Miller's *The House of Getty* is the most comprehensive and revealing account of their extraordinary lives.

Miller traces the Getty family's roots back to Ireland in the 19th century. He describes how the family made its fortune in oil and how it grew into one of the most powerful businesses in the world. He also delves into the personal lives of the Gettys, revealing their troubled marriages, their scandalous affairs, and their tragic deaths.

The House of Getty is a fascinating and disturbing portrait of a family that has had a profound impact on the world. It is a story of wealth, power, and

secrets, and it is a reminder that even the most successful families can be haunted by tragedy.

Reviews

"The House of Getty is a must-read for anyone interested in the history of wealth and power in America. Russell Miller has written a gripping and explosive expose that uncovers the dark secrets of one of the world's most famous families." - The New York Times
