

The Perfect Immigrant: How Immigrants Are Making America Great

In a time when immigration is a hot-button issue, it's more important than ever to have a nuanced and informed discussion about the role of immigrants in our society. *The Perfect Immigrant: Immigrants Make America Great* is a book that does just that. Written by journalist and author *Erika Lee*, the book tells the stories of successful immigrants from all over the world who have made significant contributions to American society.

Lee argues that immigrants are essential to the American Dream. They bring new ideas, skills, and perspectives to our country, and they help to create jobs and grow the economy. In fact, a study by the National Bureau of Economic Research found that immigrants have a positive impact on the wages of native-born Americans.
