must-read for anyone who wants to learn more about the world of finance and the man who built one of the world's most successful investment firms.

A Visionary Leader

Gilbert is a visionary leader who has always been ahead of the curve. He has a knack for spotting trends and seizing opportunities. For example, he was one of the first investors to recognize the potential of emerging markets. He also saw the potential of the internet early on and was one of the first investors to embrace online trading. Gilbert's vision has been a major factor in the success of Aberdeen Asset Management. He has always been willing to take risks and try new things. He is not afraid to challenge the status quo and to go against the grain. This has allowed him to stay ahead of the competition and to build a truly global investment firm.

A Self-Made Man

Gilbert is a self-made man who started his career with nothing. He was born in a small town in Scotland and grew up in a working-class family. He left school at the age of 16 and went to work as a clerk in a local bank. He quickly rose through the ranks and eventually became a fund manager. In 1983, he founded Aberdeen Asset Management with just £100,000. The company has since grown into one of the world's most successful investment firms. Gilbert's success is due in no small part to his hard work and determination. He is a tireless worker who is always looking for new opportunities. He is also a very shrewd investor who has a deep understanding of the financial markets. Gilbert's story is an inspiration to anyone who wants to achieve great things in life.

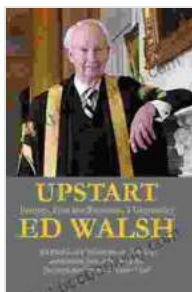

A Respected Figure in the Industry

Gilbert is a highly respected figure in the industry. He is a Fellow of the Society of Investment Professionals and a member of the Investment Management Regulatory Organisation. He is also a regular commentator on financial markets and is often sought after by the media for his insights. Gilbert is known for his intelligence, his integrity, and his commitment to his clients. He is a true gentleman and a role model for everyone in the financial industry.
