

# When Wilma Rudolph Played Basketball Leaders Doing Headstands

Wilma Rudolph was born prematurely and with disabilities. Her left leg was twisted and her right foot was turned inward. Doctors told her parents that she would never be able to walk normally. But Wilma refused to give up. She worked hard every day to strengthen her legs. And by the time she was 12 years old, she was able to walk without crutches.

## When Wilma Rudolph Played Basketball (Leaders Doing Headstands) by Mark Weakland

Print length : 32 pages

Wilma's determination did not stop there. She went on to become a world-renowned athlete. She won three gold medals at the 1960 Olympics in Rome. And she was the first American woman to win three gold medals in a single Olympic Games.

Wilma's story is an inspiration to us all. It shows us that anything is possible if we believe in ourselves and never give up. This book is a great way to teach kids about the power of perseverance, resilience, and belief.

## What's Inside the Book?

This book is a beautifully illustrated story of Wilma Rudolph's life. It tells the story of her early challenges, her determination to overcome them, and her eventual triumph as an Olympic champion.

The book also includes:

- A timeline of Wilma Rudolph's life
- A glossary of terms
- A discussion guide for parents and teachers

### **Why You Should Buy This Book**

This book is a valuable resource for parents and teachers who want to teach kids about the power of perseverance, resilience, and belief. It is also a great book for kids who are interested in sports or who have faced challenges in their own lives.
